## HOW CANDY LAND CAME TO BE:

In December of 2020 we received a mysterious email from the Community Foundation of Middlesex County asking us to join them on a Zoom call so they could share some good news.

It's a good thing we got on that Zoom call!

The Peach Pit Foundation, in partnership with the Community Foundation of Middlesex County, granted each public library in Middlesex County with \$1,000 to do something to bring joy to their community in the time of COVID-19.

We thought this idea couldn't be beat!

After soliciting ideas from the community on our social media channels and talking with our Friends of the Library group and the Library Advisory Board, we settled on the crazy idea of building a life size version of Candy Land throughout East Hampton!

It took the work, creativity and dedication of every Library staff member. With all hands on deck, a ton of creativity to transform pool noodles into lollipops and a \$1,000 donation we made it happen.

Time to play, East Hampton!

**EAST HAMPTON**  
PUBLIC LIBRARY

We prioritize people. We build community. We promote learning.
