3D Printing Process:

Step 1

Email us at:
library@easthamptonct.gov

This email should include your **name, telephone number,** and **STL file** or **website link** to your creation.

Then wait for our reply!

Step 2

After receiving our email of approval, visit the library to sign the designated papers and pay the printing fee.

3D printing is $3.00 for anything under 3 hours and $1.00 for each additional hour.

Step 3

Wait for us to contact you!

Printing time will vary, so please be patient. We will make sure to contact you as soon as it's ready!

Step 4

Visit the Library and ask for your print at the front desk!

What will you make?
